## Test Your Knowledge Of Popular Christmas Movies

Watching Christmas movies is a holiday tradition for many families. So much so that lines from popular movies are easily remembered and recognized. Those who can recite movies verbatim might enjoy testing their mettle with the following Christmas quiz loaded with memorable quotes from some holiday classics.

### Movie Quotes Quiz

1. "It came without ribbons. It came without tags. It came without packages, boxes or bags."
2. "Uh, since the United States Government declares this man to be Santa Claus, this court will not dispute it. Case dismissed."
3. "If TV has taught me anything, it's that miracles always happen to poor kids at Christmas. It happened to Tiny Tim, it happened to Charlie Brown, it happened to The Smurfs, and it's gonna happen to us!"
4. "I want an official Red Ryder, carbine action, 200 shot range model air rifle."
5. "Bless this highly nutritious microwavable macaroni and cheese dinner and the people who sold it on sale. Amen."
6. "Iris, in the movies, we have leading ladies and we have the best friend. You, I can tell, are a leading lady, but for some reason, you're behaving like the best friend."
7. "Who gave you permission to tell Charlie there was no Santa Claus? I think if we're going to destroy our son's delusions, I should be a part of it."
8. "I want to wash my hands, my face, my hair with snow."

9. "We're not just doing this for us. We're doing it for the kids. For every kid who ever sat on Santa's lap. For every little girl who left cookies and milk for Santa on Christmas night. For every little boy who opens a package Christmas morning and finds clothes instead of toys. It breaks my heart."
10. "We all know that Christmas is a big commercial racket. It's run by a big Eastern syndicate you know."
11. "I fear you more than any spectre I have seen. But as I know your purpose is to do me good, and as I hope to live to be another man from what I was, I am prepared to bear your company, and do it with a thankful heart. Will you not speak to me?"
12. "Seeing is believing, but sometimes the most real things in the world are the things we can't see."
13. "Light the lamp, not the rat, light the lamp, not the rat! Put me out, put me out, put me out!"
14. "Tell me something, Billy. How come a cute little guy like this can turn into a thousand ugly monsters?"
15. "Wanna see some magic? OK, let's watch you disappear!"
16. "That's not 'my' Christmas! 'My' Christmas is filled with laughter, and joy... and this: my Sandy Claws outfit. I want you to make it."
17. "That's neither pig nor pork, it's beef."
18. "I passed through the seven levels of the Candy Cane forest, through the sea of swirly twirly gum drops, and then I walked through the Lincoln Tunnel."

## Staple of Holiday Decor Has a Deep History

Chances are, holiday revelers will find themselves underneath the mistletoe at least once this holiday season. While they might know what to do when that time comes, they might not know the history of that plant above their heads.

Especially sacred to Celtic Druids, mistletoe was believed to bestow life and fertility, while also protecting against poison and serving as an aphrodisiac. Mistletoe would later take on a more political meaning, as the ritual of cutting the mistletoe came to symbolize the emasculation of the old king by his successor. Nowadays, mistletoe is typically hung in doorways or entryways from one room to another. This tradition can also trace itself back several centuries to the Middle Ages. During the Middle Ages, branches of mistletoe were hung from ceilings to ward off evil spirits. Throughout Europe, mistletoe was placed over doorways in the house as well as the stables as a means to

preventing the entrance of witches. The tradition of kissing underneath the mistletoe likely stems from the belief that mistletoe bestows fertility and is often associated with the Roman festival of Saturnalia, a period of merrymaking that pre-dated Christmas. In 18th century England, a young lady standing underneath the mistletoe could not refuse to be kissed. Once kissed, the kiss would signify deep romance or eternal friendship. History also suggests that mistletoe was a symbol of peace. In Scandinavia, mistletoe was considered a plant of peace. When standing underneath the mistletoe, enemies could declare a truce and spouses could end any marital turmoil with a kiss.
