PROGRESS CHENANGO 2025

Making Chenango County a better place to live

We can wait for the future—or we can start building it today. So, how are Chenango County's communities preparing for success? How are they gearing up for the challenges and opportunities that lie ahead? Are you interested in learning more about the key businesses and organizations shaping the future of Norwich, Sherburne, Greene, Oxford, Bainbridge, New Berlin, the Otselic Valley, and the other towns that make up Chenango County? From February 3 to February 7, 2025, The Evening Sun will present our annual Progress series, a longstanding tradition that captures the spirit of our community for the past year. This year's theme, "Progress: A Brighter Tomorrow," explores how organizations and public resources are being developed and invested through infrastructure, workforce, housing and public services to enhance the local quality of life. Progress will be included as part of the regular newspaper, with each day's edition featuring additional pages filled with business insights from across the county. Delivered at no extra charge to readers and available as keepsake sections, Progress serves as both an in-depth community resource and a valuable snapshot of the county's progress. Our readers and advertisers are vital partners of independent, local journalism. We are grateful for your continued help in keeping Chenango County informed and connected. What is Progress Chenango? Progress Chenango is an annual publication by The Evening Sun that highlights the advancements, challenges, and stories of resilience in Chenango County. Featuring insights from local business owners, representatives, and community leaders, this special edition provides a comprehensive look into what's changing and evolving in our region. Designed as a keepsake, Progress Chenango captures voices from the community and offers a year-round perspective on local progress.
