Tax Fraud Alerts

IRS Wants You to Know About Schemes, Scams and Cons "If it sounds too good to be true, it probably is!" Don't become a victim to any scheme that offers instant wealth or exemption from your obligation as a United States citizen to file tax returns and/or pay taxes. Some of these schemes can literally cost you your life savings. Others can result in your prosecution and imprisonment if you knowingly participate in them.

Abusive Return Preparer

Taxpayers should be very careful when choosing a tax preparer. While most preparers provide excellent service to their clients, a few unscrupulous return preparers file false and fraudulent tax returns and ultimately defraud their clients. It is important to know that even if someone else prepares your return, you are ultimately responsible for all the information on the tax return.

Abusive Tax Schemes

Abusive tax scheme originally took the structure of fraudulent domestic and foreign trust arrangements. However, these schemes have evolved into sophisticated arrangements to give the appearance that taxpayers are not in control of their money. However, the taxpayers receive their funds through debit/credit cards or fictitious loans. These schemes often involve offshore banking and sometimes establish scam corporations or entities.

Nonfiler Enforcement

There have always been individuals who, for a variety of reasons, argue taxes are voluntary or illegal. The courts have repeatedly rejected their arguments as frivolous and routinely impose financial penalties for raising such frivolous arguments. Take the time to learn the truth about frivolous tax arguments.

Tax Scams - How to Report Them

To help the public recognize and avoid abusive tax schemes, the IRS offers an abundance of educational materials. Participating in an illegal scheme to avoid paying taxes can result in imprisonment and fines, as well as the repayment of taxes owed with penalties and interest. Education is the best way to avoid the pitfalls of these "too good to be true" tax scams.

How do I sign up for Medicare?
If you already get Social Security benefits, you do not need to sign up for Medicare. The Social Security Administration will automatically enroll you in Original Medicare (Part A and Part B) when you become eligible. You will receive a Medicare card in the mail.

Because you must pay a premium for Part B coverage, you can turn it down. However, if you decide to sign up for Part B later, your coverage can be delayed, and you may have to pay a late enrollment penalty for as long as you have Part B coverage. Residents of Puerto Rico or foreign countries will NOT automatically receive Part B. They must elect this benefit.

If you don't get Social Security benefits and are not ready to apply for them yet, you should sign up for Medicare three months before your 65th birthday.
The easiest way to apply for Medicare is by using the online application at www.ssa.gov/benefits/medicare/ or you can make an appointment by calling Social Security at 1-800-772-1213 (TTY 1-800-325-0778), 8:00 a.m. - 7:00 p.m., Monday through Friday.

Need to replace a damaged or lost Medicare Card?
 Log into (or create) your secure Medicare account at Medicare.gov to print or order an official copy of your Medicare card. You can also call 1-800-MEDICARE (1-800-633-4227) and ask for a replacement card to be sent in the mail. TTY users can call 1-877-486-2048. If you get Railroad Retirement Board (RRB) benefits, you can call 1-877-722-5772 to get a replacement card, TTY users can call 1-312-751-4701.

Did you know? You remember more dreams when you sleep badly.

Thought for the Week.... You can seem like a millionaire to one person and a homeless person to the next. The ants think you are a giant and the trees don't even notice you. You think you have a boring life, but the next person might be striving for your lifestyle. Comparison is the thief of joy so stay kind and keep loving life. Life is all just a big game of perspective.
