Great Getaways

Take advantage of this summertime opportunity to reach day trippers, weekend warriors and out-of-area visitors looking for fun things to do in our areas.

This summer, families right here in our own backyards will be looking for things to do and places to go that are more affordable, involve less long-distance travel, but are still enjoyable and exciting. Make sure to promote your business in Great Getaways by calling the Pennysaver at 800-767-7862 today!

Rogers Center to Host Seeds of Community Wildflower Planting

Celebrate Earth Day by planting native wildflowers at Rogers Center and at home! On Saturday, April 26th, the public is invited to Sherburne to plant an assortment of seeds which will expand pollinator habitat around the Rogers Center Three Sisters Garden. The planting will begin at 10:30 am across the street from the visitor parking lot, at 2721 NY-80. Participants can sow the upturned earth and make their own 'bloom bundles' with paper pulp and wildflower seeds to take home and share with others. There will be educational material available for each flower variety in the pollinator mix. This family-friendly event will run until noon. ➔

ChenTAC Chenango Threat Advisory Committee

WHO WE ARE

The formation of ChenTAC was established due to the ever-changing risks of targeted violence and mass shootings that society faces today. ChenTAC takes effective proactive and protective measures that are designed to prevent, not predict, potential acts of targeted violence and terrorism. Through identifying and managing potential threats, ChenTAC provides alternatives to investigation and/or prosecution for bystanders who are actively seeking intervention assistance with a known individual at risk of mobilizing to violence.

With the support of the Chenango County Sheriff's Office, ChenTAC is a multidisciplinary team comprised of businesses, schools and colleges, social service agencies, mental health professionals, faith based organizations, community resources and local and state law enforcement. Collectively, we convene as a confidential group to identify, assess and manage potential threats of targeted violence.

IMPORTANT DEFINITION

Targeted Violence is premeditated violence and is usually directed at a specific individual, group, or location. A perpetrator of targeted violence is typically responding to a perceived grievance or acting on behalf of a particular ideology. **Targeted Violence** is different from impulsive, reactive, or emotional acts of violence. Some examples of targeted violence are school shootings, workplace violence, domestic violence, stalking, and terroristic attacks.

WHEN TO CONTACT ChenTAC

If you become aware of someone exhibiting concerning behaviors, or threatening a person, group or entity, ChenTAC is available to help. Contact our report line at (607) 334-2000 or go to www.chenangocounty.gov/271/ Sheriffs-Office and find the Submit A Crime tip button. If you have concerns of imminent danger, call 911 immediately.

See Something, Say Something
YOUR ROLE IS IMPORTANT

ChenTAC is relying on you, our biggest asset, to help identify potential threats. Without participation from members of the public, we can not identify ways to assist those who need us or protect our community.

LAWN & GARDEN

Create a budget-friendly home landscape

Homeowners understandably envy the award-worthy photo spreads in lawn and garden magazines, wanting to emulate those same looks on their own properties. Scores of designers and landscape architects are involved in the process of creating those amazing lush lawns and perfectly placed plantings. Although not every homeowner has the budget to create lavish landscape designs, it's still possible for homeowners to create lawns they can be proud of.

- Establish your budget. The first step in any project is to determine how much money you can devote to the job. Once you have established the budget, all other factors can be built around it.
- Find an inspiration piece. Great landscapes are inspired by many things, whether it's a memorable piece of art or a landscape layout in a lawn and gardening magazine. Use photos of other gardens or neighbors' yards as inspiration and build off of them. As long as the theme is cohesive, it will look pleasing to the eye.
- Consider the space and how you want to use it. Understanding the space will help you better allocate your budget. If your yard is more of a retreat, look for ways to create privacy and a vacation feel. If you have kids and entertaining friends is a main priority, focus on recreational aspects, such as a pool, playset and some durable plants. Understanding how to allocate your budget will help you to avoid spending money frivolously.

- Think about reclaimed or repurposed materials. Brand new items can quickly eat up a budget. However, repurposing salvaged or inexpensive items can stretch that budget while adding some unique flair to a landscape. See if you can find an outdoor patio set that someone is giving away or selling for a lower price. All it takes is a coat of paint and some new cushions to make it look like new. Discarded bricks or stones can be worked into a patio space or used to create raised garden beds. Purchase inexpensive flower pots and then paint them to make them look like stone or another desired material.
 - Buy native plants. Native plants, shrubs, trees, and flowers will fare better than non-native, exotic plants. That means you'll have to spend less time and money nurturing them into health, and less money having to replace plants that cannot withstand your climate.
 - Consider perennial plants. Perennials may cost more at the outset, but the savings will be realized in the years to come.
 - Hire a professional. It may seem counterintuitive to spend money on a landscaping professional when you've established a strict budget, but that's one way to save money. Landscape artists or garden designers have the experience to guide you in the right direction and help you avoid potentially costly mistakes.
 - Use gravel in spots where plants don't thrive. Gravel is an inexpensive landscaping material that can fill in voids where plants or ground cover simply do not flourish. Those working on limited budgets may be happy to learn gravel is typically less expensive than concrete or pavers.
 - Ask friends or family for clippings. Don't be shy about admiring the plantings of those you know. Flatter their good taste and ask if you can have some clippings to propagate yourself. These clippings can turn into lush plants in no time — with no additional spending required.
- With some frugal spending, planning and budgeting, anyone can create a beautiful landscape. GT164006

LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of an individual or online and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$4-6K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.
